DATE MAILED: 09/13/2006

Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 3618

Response to Amendment

1. The reply filed on June 26, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The patentable distinctions of the newly added claims (in this case, claims 23-34, applicant's reply at section V) are not specifically discussed. Applicant's attention is directed in particular to 37 CFR 1.111(b) which states, in part, "The reply must present arguments pointing out the specific distinctions believed to render the claims, *including any newly presented claims*, patentable over any applied references. [...] A general allegation that the claims define a patentable invention without specifically pointing out how the language of the claims patentably distinguishes them from the references does not comply with the requirements of this section." (emphasis added) See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Any inquiry specifically concerning this communication or earlier communications from the examiner should be directed to F. Vanaman whose telephone number is 571-272-6701.
